Dear Parents/Guardians of Reagan High School Class of 2008 Seniors!

In a few short months, the anticipation and excitement that surround graduation will be upon you and your son or daughter. To honor our graduates, the PTA of Reagan High School has, once again, been busy planning for Project Graduation 2008!

Project Graduation 2008 is an all night alcohol and drug free party **exclusively** for Reagan High School graduating seniors. It is a night to honor our graduates in a safe environment. This year's event will be held at the Time Warner Sports Park (formerly known as Ancira Sports Park). The evening will consist of games, prizes, photo presentation, food and much, much more...a great time to end their wonderful graduation evening!

In order to attend this fun evening, registration and payment are required in advance. Enclosed you will find the registration form and information for your senior to complete.

Project Graduation will begin at 11:30pm on June 7th, 2008. Seniors are required to meet at the **front parking area of Reagan High School no later than 11:30pm** to be transported by NEISD to Time Warner Sports Park. **Appropriate school ID/drivers license is required to attend. Also, advanced registration is required.** Seniors will **not** be allowed to leave until the conclusion at 4:00am when they will be transported back to Reagan High School campus on NEISD transportation. **Students who have registered and arrive late and/or miss the bus cannot attend—parents will be called, no matter what time.**

As always, senior parents are never required to help with Project Graduation because of the many activities seniors and their families are involved in—however, if you are interested in assisting in chaperoning this event, be sure to mark this on the parent consent form attached. We will ensure that there will be adequate number of chaperones to help the event run smoothly, including ensuring that all seniors are safe and secure, while enjoying themselves.

Project Graduation 2008 is a totally self-supporting event. The approximate cost per student, to put on such an event is about \$50. The funding comes from outside the school. The primary fundraising consists of parent donations, ticket sales and business donations. If you would like to contribute or have a corporate/company connection who would like to contribute, we would appreciate your assistance with this. There is information on the **Parent Consent Form** where you can personally donate, or provide us information on corporate sponsors! Remember, donations are tax deductible!

If you have any questions, please feel free to contact Tina Frick or Jan Johnson dfrick@satx.rr.com, johnsonfam01@aol.com —Co-Chairpersons for Project Graduation 2008. We look forward to having your senior at **PROJECT GRADUATION 2008!**
